ARCHITECT AND INTERIOR DESIGNER

*"These pieces celebrate
Flexform's long collaboration
with Antonio Citterio, reflecting
his signature blend of elegance,
comfort and timelessness that
continues to feel relevant today."*

Invited to create his ideal room with the latest furniture from Fanuli,
an award-winning architect opted for the work of another design legend.

These pages Travis chose pieces that Antonio Citterio designed for Flexform: the 'Camelot' sofa and cushions; 'Lauren' armchair; 'Fly' side table; 'Arnold' coffee table; 'Bangkok' suede ottoman and 'Infinity' bookcase modular system. 'Dash' rug by Fanuli. Artwork by Marisa Purcell.
